H. Buxton Forman Esqre

46 Marlborough Hill

St Johns Wood

London N.W.

Lista 5 9

Madrid January 4. 1888

My dear Mr Borrow

I enclose the Certificate and shall be most glad to receive the £20 as well as the interest from Messrs Sludgate as soon as convenient, for I have £40 to pay by the 20th besides my rent. It is the bad administration of my landed property, and the heavy taxes which get me into trouble I am endeavouring to sell the property even below its value
